

SECOND LEVEL MASTER

EMMRI - Executive Masters in Management of Research Infrastructures

COURSE DIRECTOR: Marialuisa Lavitrano

DURATION

18 Months - Starting
January 2027

DELIVERY MODE

Blended

APPLICATION DEADLINE

15th September 2026

CREDITS

60 ECTS

The master prepares current and future leaders to manage national and international Research Infrastructures in an increasingly complex and global environment.

Through a practice-oriented approach, participants develop strategic leadership, governance and management skills.
